

Sterling Scotland West

80+ moorland, heathland and parkland courses

Day 1 – Depart on international flight from U.S. gateway

Day 2 – arrive Glasgow. Transfer by private motorcoach to hotel.

Day 3 – Turnberry Ailsa

One of Great Britain's top three golf courses, and among the top 20 in the world. The fairways are wide, with ample area for precise golf

shots, but terms change when the wind comes into play. The signature 9th hole is one of the most photographed in golf.

Day 4 – Prestwick St Nicholas

Thanks to the hazards provided by nature, strategically placed bunkers and out of bounds on 12 holes, this course

favors the thinking golfer rather than the long, wild hitter.

Day 5 – Western Gales

An excellent test of true links golf. A change in the wind direction adds a new challenge to the round. The layout features undulating terrain

and finely contoured greens with a large number of pot bunkers cleverly located in the folds of the surrounding sand dunes.

Day 6 - Prestwick Old Course

The original home of the British Open, the course has fast running, bumpy fairways, deep bunkers and many blind shots among

the unpredictable winds. The course has had only seven club professionals in its 155-year history, the original being Old Tom Morris.

Day 7 - Royal Troon Old Course

One of the great links courses in Scotland, the Old Course is a challenging test of golfing ability. With the wind to contend with, and deep

rough interspersed with gorse and broom, accurate shot making is essential.

Day 8 – Return to USA

A list of area golf courses available is on next page. This itinerary can be customized to add, reduce or replace any of these golf courses with the ones listed on the next page.
